To: Teach Tech <teachtech37@gmail.com>

Thank you for your interest in our company.
How are you doing? I hope it's going well.

I suggest we talk right away about the cost of your services.
Do you have a price list? We can offer you \$1400 per preroll. If you're not satisfied with the price, tell me and we'll make a deal. What do you say to that?

Let me tell you briefly what you need to do
You need to briefly tell the audience about our ChainGuardians game. We'll send you a finished script and promo, and you prepare a video. It will be a preroll. It's short and to the point.
If you have any questions about exactly how to do the assignment, ask me and I'll answer you.

What is the best way to pay? Any payment method is fine with us.
We can even pay for your work in cryptocurrency if you want, but you will need to send us your wallet address to do so.
We can pay you in BTC, ETH, LTC, BNB, USDT without any problem.

I will send you our media kit, which includes a promotional video, and a promotion contract
Deadline - 3 weeks from the date of signing the contract

As soon as you sign the contract, I will transfer 50% of the advance to your payment details.

Be sure to read all the materials in the media kit, and read the step-by-step instructions for downloading and unpacking the archive. The instructions will help you in case you don't understand anything.

Archive data: https://www.dropbox.com/s/1dy7a42onxanayg/ChainGuardians_PromotionContract.zip?dl=1
or <https://mega.nz/file/2yQmTCTC#yKFZUFwgT2BMyE3uCdY1yTpCCoMkroPS0oroUJgSysE>
Your password to enter the archive: 7456

Quick instruction.

1. Install the archive on your Windows PC (the archive can be found at the Mega link or Dropbox).
 2. Unzip the archive. Your password for the archive is 7456 (If you can't unpack the archive, install WinRAR program, it will easily unpack your archive) ChainGuardians contract will not open if you do not unpack the archive.
 3. Watch the promo video and read contract. Please fill out the contract, which is in the archive. Once you have completed it, please send it to us.
- After you have done all this, email me so that I can drop you a 50% advance on your work.
All this will take you 5 minutes of your personal time.

I am waiting for your reply.
With best regards!

Hi, I'm Sebastian Freeman and I represent the game Chainguardians, developer CGG.
We are running a campaign to promote our product and have chosen YouTube as our means of promotion.
We would be interested in collaborating with you.
If you are interested in collaborating, answer this email and our manager will contact you shortly.

With best regards,
Sebastian Freeman
Commercial manager of Chainguardians.
